

**SRPW Summer Playing Weekend. Friday July 1st,
Saturday July 2nd and Sunday July 3rd, 2016 at
Paradise Farmhouse, Presteigne, LD8 2NH**

Our fifth Summer Playing Weekend will be held as usual at Paradise Farmhouse, Presteigne. The course will consist of three full playing days, split between the full ensemble of 20 players and one-to-a-part groups, and will be tutored by the well-known conductor Helen Hooker.

Accommodation at Paradise Farmhouse consists of five twin-bedded rooms in spacious self-catering units and space for up to six people to camp in tent or caravan, (the price for camping includes use of facilities) so your cheapest residential option is to camp or to come with a chum and share a room. Prices for accommodation are still the same as last year, and breakfast will be DIY, with the basics provided, like last year. All guests will have full use of the kitchen and dining room, and will be expected to leave these spaces clean and tidy after use.

If you have not been before, you may like to see our beautiful venue on:

Once again, John and Gloria have offered a generous discount for anyone staying 3 nights (not including the camping, which remains priced as last year) so we are once again offering a DIY barbecue and some late playing on Thursday, June 30th.

If Paradise Farmhouse is over-subscribed, there are B&B establishments in the area and we can help you to find a suitable one. There will also be some day places available for participants who live locally.

You may also like to book a daily light lunch, and for the Friday and Saturday reserve a place for the evening meal at a local restaurant. (Details will be arranged later and e-mailed to you, and, if you prefer, you can decide then whether to come or not.)

On the attached booking form you will see the various options and prices. Please do not send any money for the dinners - settle those at the time - but to secure your place on the course we do need a cheque as explained below.

Each day's playing will start with optional warm-up (recorder!) exercises at 9.30am ready for a prompt start at 10am, and playing will end at 5pm on Friday and Saturday and after tea on the Sunday, at around 4pm.

We do ask that participants should be confident sight readers and proficient with descant, treble, tenor and bass recorders.
