

SRP Wales Group
Covid-19 Risk Assessment

SRP Playing Day

Trecastle Village Hall

20th November 2021

Notes:

1. Before the day, make yourself aware of the current precautions required/advised by the Government and the venue and amend the risk assessment accordingly.
2. Communicate clearly with participants ahead of time, advising them:
 - they are requested to carry out a Lateral Flow Test the day before the playing day. They should not attend if they get a positive result. In addition, they must stay at home if they have symptoms, or have been in close contact with someone who has symptoms or has tested positive
 - they must inform the Chair or Secretary if they develop symptoms up to 10 days after the event
 - they are asked to stay out of the kitchen (except for those responsible for serving drinks)
 - they must bring their own mugs
 - they should dress warmly because the venue will be well-ventilated
 - they attend at their own risk because, although we shall take precautions, we cannot guarantee that the event will be 100% Covid-safe.
